STATEMENT OF OBJECTS AND REASONS

The "Delhi Laws (Special Provisions) Act, 2006" was enacted to address orders and directions passed by the Supreme Court and the High Court of Delhi in cases pending before them regarding contentious issues which were confronting the city of Delhi, namely, unauthorised constructions, commercial use of residential premises, encroachment on public land by slum dwellers and *Jhuggi-Jhopri* clusters, problems relating to urban street vendors, which were affecting the lives of millions of people.

2. The aforesaid Act, *inter alia*, required the Central Government with a time period of one year to take all possible steps to finalise norms, policy guidelines and feasible strategies to deal with the problem of certain forms of unauthorised development with regard to mixed land use not conforming to the Master Plan, construction beyond sanctioned plans, and encroachment by slum and *Jhuggi-Jhopri* dwellers, hawkers and urban street vendors. It also provided for *status quo* as on the 1st day of January, 2006 to be maintained in respect of these categories of unauthorised development, subject to certain conditions notwithstanding any judgment, decree or order of any court. Similarly, it provided that all notices issued by the local bodies for initiating action against these categories of unauthorised development shall be deemed to have been suspended and that no punitive action shall be taken during the said period of one year.

3. The Delhi Laws (Special Provisions) Act, 2006 remain effective for a period of one year and lapsed on the 18th May, 2007. In the intervening period, the Master Plan for Delhi, 2021 was notified on the 7th February, 2007, incorporating extensive amendments in respect of provisions governing mixed land use, and for construction beyond sanctioned plans, thus providing much needed relief in case of unauthorised development with regard to mixed land use not conforming to the Master Plan and construction beyond sanctioned plans.

4. In view of the fact that the provisions of the aforesaid Act ceased to operate on and after the 19th May, 2007, and that some more time was needed for making policy guidelines and feasible strategies or schemes to deal with the problems of unauthorised development in certain categories such as slum and *Jhuggi-Jhopri* dwellers, urban street vendors and hawkers, farm houses, schools, dispensaries, religious institutions, cultural institutions built in rural areas on agricultural land, the National Capital Territory of Delhi Laws (Special Provisions) Ordinance, 2007 was promulgated on the 4th July, 2007.

5. In the meantime, in view of some important developments in regard to sealing of commercial premises in the unauthorised colonies, the scope of the proposed National Capital Territory of Delhi Laws (Special Provisions) Bill, 2007 was widened to maintain *status quo* in respect of unauthorised colonies, including village *abadi* and its extension, storages, warehouses and godowns meant for agricultural inputs or produce (including dairy and poultry) in rural areas built on agricultural land, and in view of the exigencies involved, the National Capital Territory of Delhi Laws (Special Provisions) Second Ordinance, 2007 was promulgated on the 15th September, 2007, the provisions of which were in force up to the 31st December, 2008, to maintain *status quo* so that no punitive action could be taken during this period in respect of the categories of unauthorised development as given above.

6. The National Capital Territory of Delhi Laws (Special Provisions) Second Ordinance, 2007 was replaced by the National Capital Territory of Delhi Laws (Special Provisions) Act, 2007 on the 5th December, 2007, the provisions of which were in force up to the 31st December, 2008 and ceased to operate after the 31st December, 2008.

7. During the period, the said Act was in force, the Municipal Corporation of Delhi and the New Delhi Municipal Council have formulated the Hawkers and Urban Street Vendors Scheme and have started implementing the same, but some more time was needed to ensure its orderly implementation. Similarly, the guidelines and regulations for regularisation of unauthorised colonies in Delhi was issued.

8. The National Capital Territory of Delhi Laws (Special Provisions) Act, 2009 was enacted on the 16th March, 2009 to make special provisions for the areas of the National Capital Territory of Delhi for a period up to the 31st day of December, 2009 and shall cease to operate after the 31st day of December, 2009.

9. Subsequent to enactment of the National Capital Territory of Delhi Laws (Special Provisions) Act, 2009,—

(i) a strategy and a scheme prepared by the local authorities in the National Capital Territory of Delhi for regulation of urban street vendors in accordance with the National Policy for Urban Street Vendors and the Master Plan for Delhi, 2021, is being implemented;

(ii) in pursuance of the guidelines and regulations for regularisation of unauthorised colonies, necessary steps are being taken which, *inter alia*, involve scrutiny of layout plans, assessment of built-up percentage existed as on the 31st day of March, 2002, identification of mixed use streets, approval of layout plans, fixation of boundaries, change of land use and identification of colonies not eligible for regularisation;

(iii) the revised policy and orderly arrangements for relocation and rehabilitation of slum dwellers and *Jhuggi-Jhopri* clusters in the National Capital Territory of Delhi has been considered and a Bill, namely, the Delhi Urban Shelter Improvement Board Bill, 2009 has been prepared by the Government of National Capital Territory of Delhi to provide for implementation of schemes for improvement of *Jhuggi-Jhopri* clusters and its re-development with a view to bring improvement in environment and living conditions, and preparing housing scheme for resettlement of persons;

(iv) the draft policy regarding farm houses has been formulated by the Delhi Development Authority and has been forwarded to major stakeholders for their views and comments;

(v) in pursuance of the Master Plan for Delhi, 2021, the policy or plan regarding schools, dispensaries, religious institutions, cultural institutions, storages, warehouses and godowns used for agricultural inputs or produce (including dairy and poultry) in rural areas built on agricultural land is under consideration of the Central Government.

10. More time is needed for orderly implementation of the programmes and formulation of strategies, schemes, guidelines, policies and plans, etc., referred to in sub-paragraphs (i) to (v) of paragraph 9.

11. Accordingly, it is proposed to enact a law for a period beginning from the 1st day of January, 2010 and ending at the 31st day of December, 2010 to give continued effect to the aforesaid programmes, strategies, schemes, guidelines, policies and plans, etc.

12. The Bill seeks to achieve the above objectives.
